

Joyner Test Prep & Tutoring

SAT/ACT Tutoring Expectations & Policies:

- For your child to have the best opportunity to achieve his/her SAT or ACT score goals he/she must dedicate time and effort into the preparation. I expect 45 min to 1 hour of practice per day. I will be providing a homework log on which your child can record daily practice times. Your child should indicate on the log which problems he/she struggled with so we can review them in the next session.
- If I determine that your child is not sufficiently prepared for the session then you will be notified and your child will be given an opportunity to make necessary changes before the next session. I reserve the right to discontinue the SAT/ACT tutoring sessions.
- After each session, your child will be assigned homework or a practice test or both. I ask that all assignments be completed before the next session.
- Your child will need to bring the following items with him/her to each session: the Official College Board SAT workbook or ACT workbook, a graphing calculator, and 3-ring binder containing the notes/worksheets that I gave him/her.
- Sessions are 70 min long unless scheduled differently.
- Your child's scores are not guaranteed and no money will be returned for any sessions if scores do not turn out as expected. I will do my very best to help your child achieve his/her score goal. However, tutoring is only one part of the equation. The amount of time a student is willing to put in between sessions practicing what we do together will ultimately determine his/her success on the test.
- SAT/ACT Tutoring Rates: \$85/70 minutes or \$110 for 90 minutes. Please pay in full by cash, check, Venmo or Zelle after each session. **Checks should be made payable to Rachel Joyner.**
- I understand that your lives are busy and your time is valuable, and so is mine. **If you need to cancel, I ask that you reschedule the appointment in the same week. If you can't reschedule you will be charged the tutoring fee of \$85.00 for the cancelled session.**
- The most current Official College Board SAT Book or ACT Workbook will need to be purchased from me or on your own (Amazon.com) before the first session.
